year, athletes who shoot compound, recurve, or barebow and are between 15-17 years old were eligible to qualify for the Games.

After intense competition and some tough decisions, we're excited to announce the athletes who will be representing their region at the BC Winter Games:

[Click here](#) and scroll to the bottom of the page.

We're proud of all of these talented archers and can't wait to see them in action at the Games. A big congratulations to them, and a huge thank you to all of the athletes who participated in the trials. It was great to see such a high level of talent and sportsmanship on display.

If you're planning on attending the Games in Vernon, be sure to stop by the archery venue and cheer on our athletes! It's sure to be an exciting competition.

Athlete Funding Available!

Just a friendly reminder that [funding is available](#) for 2022 performance level BC Archery athletes (cadet and older) in Target, Field, and 3D. The application form is due on January 31, 2023, so make sure to get yours in on time.

In order to be eligible for this funding, you must be working with a coach who has a minimum certification of "Instruction of Intermediate Archers". This is a great opportunity to get some extra support for your archery pursuits, so don't miss out!

If you have any questions, feel free to [email our high performance funding coordinator](#). Good luck with your archery endeavors, and we hope to see you apply for this funding opportunity.

Junior Olympian Program Underway!

BC Archery's [Junior Olympian Program \(JOP\)](#) is officially underway, and we're excited to see all the talented young archers in action.

For those who may not be familiar, the JOP is a program designed to recognize and encourage young archers for their achievements in the sport of archery. Each year, archers from across the province have the opportunity to earn awards based on their skill level and performance in competitions. As they earn these awards, they not only gain recognition for their accomplishments, but also develop valuable skills and confidence that will help them succeed in future competitions.

One of the great things about the JOP is that it provides young archers with a sense of community and support. As they work towards their awards, they'll have the opportunity to learn from and compete against their peers, all while receiving guidance and encouragement from experienced coaches and mentors. This not only helps them improve their archery skills, but also helps them build self-esteem and confidence in their abilities.

Another important aspect of the JOP is that it offers a range of awards for archers at all skill levels. This means that no matter where they are on their archery journey, they will have the opportunity to earn recognition for their hard work and dedication.

So if you're a young archer looking to take your skills to the next level, we encourage you to get involved in the JOP. It's a fantastic way to learn, grow, and have fun, all while being part of a supportive community of like-minded archers. And who knows, you might just earn an award or two along the way!

BC Archery News...

- **Sofija Jewell**, one of our member archers from Victoria, was featured in the Canadian Archery Foundation's Giving Tuesday campaign. "One of my favourite things about archery (other than actually shooting!) is the community," said Sofija. "The people involved with archery are some of the most incredible people you'll meet. They help to push and progress you not only as an archer, but as a person."
- Congratulations to both **Kevin Evans** and **Lloyd Polack** for being nominated at Sport BC's 2022 Annual Awards.
- **Kevin Evans** represented Canada at the Para Pan Am Championships in Santiago, Chile this year and at the 2022 World Archery Para Championships in Dubai.
- **Lloyd Polack** won 9 medals at various championships and events this year, as well as setting records for 18M Men's 60+ Barebow at the BC Indoor Target Championships and the senior barebow 50m record at the BC Outdoor Championships.
- **Lora-Lee Murray** has completed her Competition Development Coaching Certification for archery. Only a handful of BC coaches have this coaching cert. She will also be mentoring two coaches at the upcoming BC Winter Games. Congratulations Lora-Lee!
