BC Archery 2023 BC WINTER GAMES

The Vernon 2023 BC Winter Games were a huge success! Thirty-seven athletes, 17 coaches, and 7 officials travelled from across the province and participated in the "big sleepover." Athletes competed in two separate medal opportunities: one medal was awarded for the top 3 2-day aggregate score after two 18m rounds, and another medal for their success in an elimination round. At the end of the three days of competition, 36 medals were awarded.

Congratulations to all the competitors for their achievements, and a huge "thank you" to the coaches, officials, local sport chairs, and volunteers who helped make this a successful event. For results, click [here](#). For photos, click [here](#).

2023 BC Indoors Championship

The BC Provincial Indoor Championships held in Quesnel, BC from April 7-9, 2023, were a resounding success. Hosted by the Quesnel River Archers, the event once again showcased top-level archery skills and attracted archers and visitors from across the province.

Thank you to all those who participated, and a big thank you to the volunteers who helped make this tournament happen.
