## BC Winter Games Athletes Selected

The BC Winter Games Trials are now complete and the results are in!

This year's Games are taking place in Quesnel BC, Feb 22-25 2024. This year, athletes who shoot compound, recurve, or barebow and are between 15-17 years old were eligible to qualify for the Games. The best athletes in each region attended Trials Events across BC to shoot for their spot to represent each zone.

We're excited to announce the athletes who will be representing their region at the BC Winter Games. We extend a huge thank you to all of the athletes who participated in the trials. It was great to see such a high level of talent and sportsmanship on display.

Visit the [BC Archery website](#) and scroll to the bottom of the page for the full list of results.
