

NAVIGATING THE LOCKER

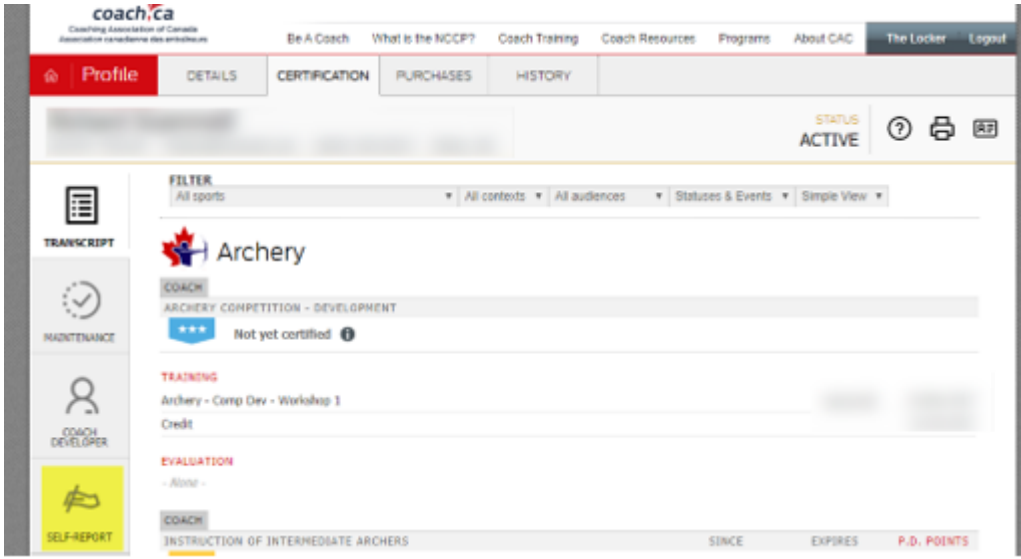

HOW-TO self-report active status & HOW-TO find/take eLearning opportunities

Sign in to [the locker](#).

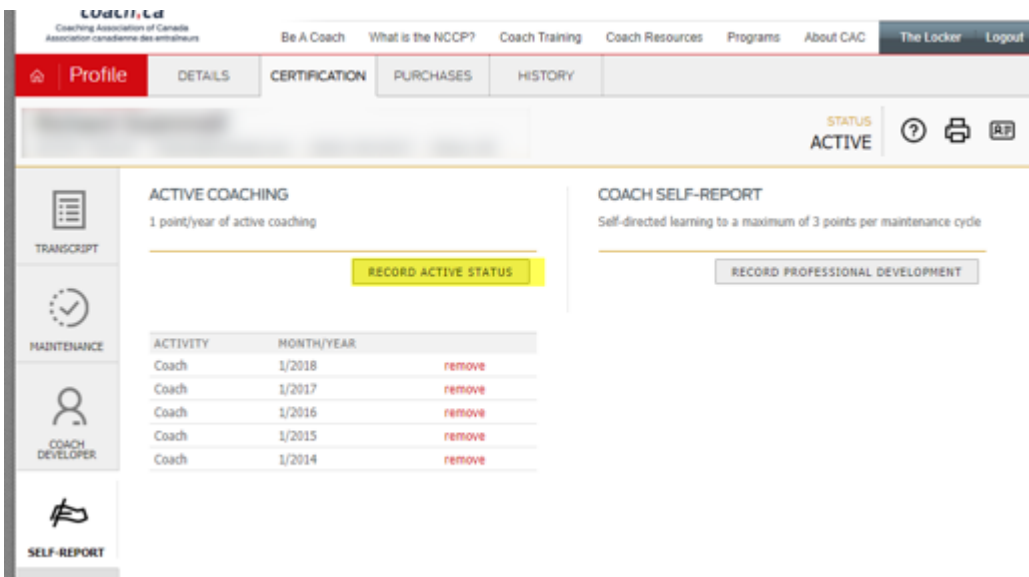

Go to the Certification tab:

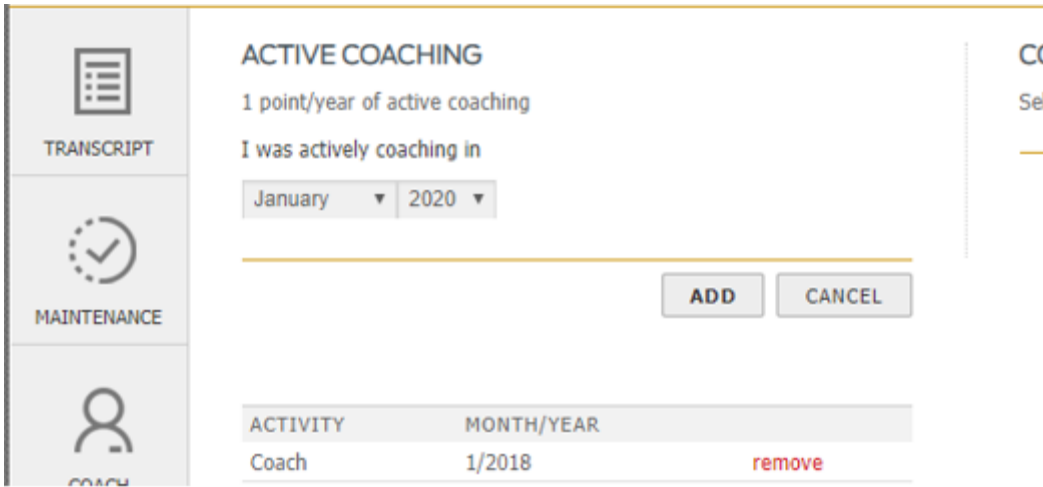

Go to the Self-Reporting tab:

Click "Record Active Status":

Enter the month/year you were coaching **you can only claim one point per year, so it really doesn't matter what month you list, as long as you list different years.

Note that this will only provide you up to 5 points in any reporting cycle, so you would need to obtain other PD points through the system.

These can be easily obtained by completing online/eLearning opportunities, or by attending in-person events hosted by [viaSport](#), BC Archery, or other providers in your area. Some eLearning opportunities are offered for free, especially during Coaches Week in September.
