## FVA LEGACY PRIZE (for JOP Championships)

### **Purpose**

To set out the guidelines for the distribution of the bequest received from the closure of the Fraser Valley Archers club.

### **Background**

In 2021, Simon Lau of Fraser Valley Archers closed down the club. The club's constitution stated that any residual funds and equipment were to be donated to the BC Archery Association. The equipment that was determined to be unsuitable for use at the Provincial level was sold and the funds were added to the cash donation. The total amount of cash received from the club is \$4643.07. The balance of the equipment received will be used to advance various programs through the provincial association.

### **Allocation**

These funds will be used to continue a previous legacy (from Cec Meehan and Jim Breckenridge). The funds will be disbursed to random winners at the JOP Indoor and JOP Outdoor Championships in the form of gift certificates to BC-based archery suppliers. This is to support local archery shops (not big-box outlets).

A total of \$450 will be awarded each year, and therefore the fund should last for 10 years (starts in 2022, with a tentative final prize year in 2031).

### **Process**

At the end of each of the JOP Indoor Championships and JOP Outdoor Championships, upon completion of the compilation of scores, the names of every participant will be entered into a random draw.

The draw may be conducted by various means: printed names in a hat, spreadsheet random cell picker, online random draw program, etc.

The winners of the draw will receive \$150 to be spent at a local (BC-based) archery supplier/shop.

- For the JOP Indoors, 2 names will be drawn
- For the JOP Outdoors, 1 name will be drawn

The winners will have a choice of shops at which to spend their prize. A list of local/BC shops can be provided to the athlete to choose from and BC Archery will purchase the gift certificate to the specific shop. The athlete can then choose what to purchase (arrows, quiver, put it towards a bow, a target butt, etc). The winner must make a choice within 2 weeks of being notified of being selected. Once the gift certificate has been purchased, the athlete may not change their choice of shops.

The draw and gift certificate purchase can be done by the Executive Director, JOP Coordinator, VP-Athlete Development or another representative of the choosing of the VP-Athlete Development.
